The National Chevy Association was formed in 1985 as a car club dedicated to the "pleasure, pride and preservation" of the '53 and '54 Chevrolet. Beginning February 2000, the National Chevy Association expanded to include the 1949-52 Chevrolets in the Association. We have developed a complete line of parts and accessories for the 1949-52 Chevs and encourage you to contact us for a fully illustrated catalog of 1949-52 Chevrolet parts, if you have one of these "forgotten classics."

DID YOU KNOW...

Our first newsletter was published March 1, 1986. It was 4 pages, including the cover page. It featured 2 cars, a 1953 150 Series 4-Door Sedan and a 1953 210 Series Sport Coupe.
