

1953-54 Chev Continental Kit

Basic Continental Kit

ORDER #CK-1

Only **\$749⁰⁰**

National Chevy's Basic Continental Kit is an affordable way to "customize" your 1953 or 1954 Chevy! Don't let the low price fool you. It is a complete quality kit that the average back yard mechanic can install in a weekend. Paint to match your car. Tire ring is heavy gauge stainless steel and the face plate is solid plastic. All hardware included with complete illustrated instructions.

Continental Kit Options

NOTE! PRICES BELOW REFLECT SUBSTITUTIONS FOR PIECES INCLUDED IN BASIC KIT. CONTINENTAL KIT PARTS SOLD SEPARATELY.

**Upgrade the basic continental kit by purchasing any of the options listed below.
Create the kit that will give your car a look that is unique!**

OPEN FIBERGLASS FACEPLATE

Display your hubcap with this steel open face plate! Replaces plastic solid face plate included in basic kit.
