1949-52 BRAKE LINES

Don't take chances on old, rusty or bent brake lines. Our brake lines are reproduced with the original contours and fittings and end caps keep lines free of moisture and dust until you are ready to use them. The front lines have steel wrap just like the original. A small price to pay to protect a large investment!

SET 1: Includes front driver side line and front passenger side line
(2 clips required on this line - not included).
