Thousands of old car clubs are flourishing across America, but few have grown to the size of National Chevy. This success can be attributed mainly to our many loyal members and the popularity of the 1949-54 Chev. The club would not exist today if not for its founding members, Paul and Sharon Nimis, whose idea it was to form a car club dedicated to the Pleasure, Pride and Preservation of the ‘53 & ’54 Chev. The rest is history.

Since 1985, the National Chevy Association has been the car club of choice for owners of Chevrolet’s “Forgotten Classics.” A few years back, the 49-52 Chevs were added to the Association base and growth continues as new generations discover that the car the “old man” drove to high school is kinda cool and affordable to own and restore.

Members can be found around the world. To keep in touch we publish a monthly newsletter called “Parts-Line.” Each issue contains general news, technical help, nostalgia, classified ads, monthly specials, contests and most important, pictures and articles from members about their cars. “Mail Order Swap Meets” are a unique way we found to sell hard-to-find parts.

The success of the Association is based on the strength of its members. The newsletter is made up almost entirely of articles and cars sent in by members. We love cars! Cars are the reason we are all here — restorations, customs, daily drivers, long-term projects or anywhere in between. We are glad you are here to share our love of cars!

If you happen to be passing through Minnesota, stop in for a visit (bring your car). To find out a little more about our Association, visit us on the web at www.49-54nca.com

Shop Garage Decals are 5 1/2” and 12” in diameter.
Membership Rate Chart

‘49 THE NATIONAL CHEVY ASSOC. ‘54

Join Today!

You don’t want to miss a single issue of the “Parts-Line”!

Would you like a Free Membership?

Just place an order for $85.00 and the monthly hard copy is yours! (Continental US Only)

If you are joining the club mid-year, please note PRO-RATED FEES. Our year is broken into quarters, so you don’t pay for a whole year and only receive a few issues.

ORDERING

National Chevy Parts will gladly accept your order by mail, phone or fax. It’s also possible to place your order over the internet by visiting our online catalog at www.49-54nca.com or www.nationalchevyassoc.com.

MAIL If possible, please use the order forms enclosed in the catalog. Complete all necessary information to insure that your order will be processed as quickly as possible. Use catalog part numbers, provide a description of the item, and specify color, size, etc. when required. (Provide vehicle information to guarantee that we will have all the information we need to fill your order with accuracy.)

PHONE Orders are accepted by phone Monday-Friday 8:30-5:00 (central time). We would appreciate it if you would use catalog part numbers when ordering, but our courteous sales representatives will aid you in ordering the parts you need however you describe them (651) 778-9522.

FAX Use our toll-free fax number in the Continental United States (800) 785-5354. Worldwide fax (651) 778-9686. Provide all the necessary information, as if you were mailing in the order.

ONLINE ORDERING www.49-54nca.com or www.nationalchevyassoc.com All information sent to us over the internet will remain strictly confidential, as our online catalog is hosted by a secure provider.

METHOD OF PAYMENT

CREDIT CARD National Chevy Parts accepts Visa, MasterCard, American Express and Discover. Mail orders require a cardholder’s signature.

CHECKS OR MONEY ORDERS Your personal check is welcome.

C.O.D. ORDERS A collection charge of $10.00 will be added to every C.O.D. order. C.O.D. orders are shipped to the Continental United States, Hawaii, and Puerto Rico only. (No C.O.D. shipments to Canada or foreign countries.) Orders shipped C.O.D. with UPS will require a certified check or money order or personal check. (UPS no longer accepts cash.) FedEx C.O.D. orders will require cash, certified check/ money order or personal checks on any C.O.D. orders.

ORDERING & SHIPPING INFORMATION

ORDERED & SHIPPED FROM

American Chevy Parts
P.O. Box 3013
Elk River, MN 55330

All orders are shipped via UPS or FED EX.

FASTER DELIVERY Faster delivery (Continental US only) can be obtained by using Next Day, Two Day or Three Day shipping. These services cost more than regular ground shipping, but are valuable if you need the part fast. All optional shipping charges are calculated by the combination of weight of package and distance to ship, therefore it is impossible to calculate exact cost until package is ready to ship. We’d be happy to contact you with exact shipping charges before shipping, if requested.

FOREIGN COUNTRY SHIPMENTS All orders to foreign countries must be prepaid in U.S. Funds or charged to a credit card. No C.O.D.’s accepted. Orders to overseas locations can be shipped via Express or Expedited Services. (No ground service available.)

A - Express service usually arrives at location in about 2 days.
B - Expedited Services usually arrives at location in about 4 days. No ground service is available.

CANADIAN SHIPMENTS Shipments must be prepaid in U.S. Funds or charged to credit card. No. C.O.D. service is available. All orders will be shipped via UPS Ground Service unless air service is requested. Some mail service is available. UPS now serves all addresses in Canada.

DAMAGED SHIPMENTS Please check all parts immediately upon receipt. If an item has been damaged in shipment, call the carrier. UPS (800) 742-5877 FED EX (800) 448-9961. Keep the package, all packing material, and all of the items together. The carrier will come out to your location and inspect the package and its contents, and will return the damaged item(s) to us. Then call us and let us know what was damaged so we can get a replacement part to you.

SERVICE

NOT IN STOCK National Chevy maintains an extensive inventory of parts to provide you with the fastest possible service. Due to the unique nature of our business, certain items periodically outsell our best inventory estimates. We try not to let this happen but when it does we will backorder the part if we think it will be back in stock soon. If it will be a long delay we will instead refund your money on the item. As soon as any item that has been out of stock is back in stock we will send you a postcard.

INQUIRIES Please check your order as soon as it is received for errors or shortages. All orders are double checked before shipping but we are human and do make an occasional mistake. If you have a problem please notify us at once. Problems not reported in one week from order receipt will not be replaced at our expense.

RETURNS Any part that is not satisfactory may be returned within 30 days for a full refund. Shipping charges will not be refunded. All returns must be accompanied by a copy of the invoice or item will be sent back to you. All parts must be returned in original package in resalable condition. If an item is defective or we made an error on your order we will reimburse your return shipping at regular ground rates. (If you order a part shipped by air, you will not be refunded the extra shipping cost.) If you return a part because you decided not to use it, you’re responsible for the shipping charges. NO RETURNS AFTER 30 DAYS. NO RETURNS WITHOUT A COPY OF THE INVOICE. Any returns after 30 days will have serious penalties and must be accompanied by a receipt. CALL FIRST! 651-778-9522.

DID YOU KNOW? ...

- The wheelbase of the 1949 Chev was shortened 1” to 115” but looked longer than previous models.
- In 1949 Chevrolet had 2 Station Wagons - a conventional wooden bodied model and an all-steel version which looked almost identical from a short distance away.
- 1950 brought a real winner - Powerglide - the first automatic transmission to appear in the low price field.
- In 1950 the car length was increased to 197.5” but the wheelbase remained 115”.

* - Fisher Body style number

### 1952 Model Identification

#### 1951-52 Chevrolet

- 1951 brought few changes to Chevrolet - it grew again to 197.8” but the wheelbase remained 115”.
- Bendix brakes replaced Huck brakes and after an absence of 1 year Carter Carbs were used along with Stromberg and Rochester’s.
- 1952 changes were primarily the new but similar horizontal grill with five pressed “teeth” in the central bar.
- Adding to the cosmetic appeal of the new grill this year’s Chevrolet had the largest selection of body colors and two-tone combinations ever in a low price line of car with a choice of 129 colors and two-tone exterior and interior variations.

**1949-1954 Parts Catalog**
Did You Know? ...

- '53 was the first year for a one-piece wrap-around windshield and all models except the 150 Series had a wrap-around rear window as well.

- In 1953 seventeen models were available — the most ever offered by Chevrolet.

- '53 was the first year for Chevrolet power steering.

- '53 was the first year the BelAir Model was available in Sedans. The BelAir Hardtop became known as the Sport Coupe in 1953.

- In 1953, Chevrolet’s theme in their advertising campaign was “Mister Chevrolet,” a top hatted tuxedoed image of a well-to-do man-about-town whose good taste brought him to Chevrolet to buy a new car.

- More than 1,300,000 1953 Chevrolets were produced and over 400,000 were equipped with a powerglide transmission.
1954 Model Identification

### DID YOU KNOW?...

- 1954 was the first year the automatic transmission was available in all Chevrolet models.
- 1954 was the last year for the exclusive use of the 6 cylinder engine, and the last year for 6 volt electrical systems in Chevrolets.
- The 1954 grill teeth are the number one choice of street rodders to customize their grill. ‘54 Chev grill teeth are found in a lot of customized ... Mercurys!
- 1954 was the first year for power brakes, power seats and power windows.
- 1954 was the first year that a coupe body style was not available. Business Coupes were a 2 door Sedan without a back seat.
- The 1954 Townsman Wagon was the last Chevrolet Station Wagon to use the imitation wood decor until the 1966 Caprice came along.
- Calendar year sales for the 1954 Chevrolet totaled 1,414,352.

MEET ED
(LITTLE ED)
Eddie has been here for about 23 years. He knows his Chevies and is our technical support person, among other things. Away from work he enjoys riding his “Harley” and working on and driving his ’50 Chev truck. He also enjoys spending time with his first child – a boy named Tristan, who is about 8 months old. Ed and his dad (Big Ed) are co-owners of a 1934 Chevy 3-window Coupe drag car, which has about a 400 HP Chevy 6 cylinder.

MEET COLLEEN
Colleen has been at NCA for about 11 years and is our upholstery “guru.” She can sew just about anything. In her spare time she enjoys sewing and making items for some boutiques in the area. Her work is fantastic. She is also known as “FabricGeek,” and enjoys family get-togethers.

MEET JEFF
Jeff has been at NCA for about 14 years, first as part-time, now as full-time. He is our jack-of-all-trades. In his spare time, Jeff works on his ’29 Model A and his ’29 Ford Roadster. He also enjoys auctions, especially if they have old car parts and a few antiques.

- **Paint**: $11.00
  Order #1383
Ever wanted to know if the motor in your car is the original? ... Or just wanted to know how to identify when it was made?

Chevrolet cast the date of manufacture just above the starter, right on the engine block. (This is not the stamped numbers by the distributor, which is the engine serial number.) The cast “boss” is halfway between the pan flange and the pushrod cover, and consists of an initial (A-L = January-December) followed by three or four digits. Example: B154 equals - February 15, 1954.
RETURN POLICY

Any part that is not satisfactory may be returned within 30 days for a full refund. Shipping charges will not be refunded.

ALL RETURNS must be accompanied by a copy of the invoice or item will be sent back to you. All parts must be returned in original package in resalable condition.

If an item is defective or we made an error on your order we will reimburse your return shipping at regular ground rates. (If you order a part shipped by air, you will not be refunded the extra shipping cost.) If you return a part because you decided not to use it, you’re responsible for the shipping charges.

NO RETURNS AFTER 30 DAYS.
NO RETURNS WITHOUT A COPY OF THE INVOICE.
Any returns after 30 days will have serious penalties and must be accompanied by a receipt.
CALL FIRST! 651-778-9522.

Outside Mirrors

Originally regarded as accessory items, mirrors are recognized today as driving essentials. These reproduction side mirrors enable you to upgrade your car to today’s safety standards. The following mirrors are styled like the mirrors from the 50’s and will be a nice looking addition to your car.

Door Edge Mirror
- Die cast chrome arm — 4” stainless backed mirror.
- Fits left or right side.
- Mounts on leading edge of door, right below belt molding.
ORDER #522
$19.00 ea.

Chevy Style Mirror
- Die cast chrome arm 4” stainless backed mirror.
- Mounts on rain deflector on wing window.
- Left side only.
- Will not work on hardtop models.
ORDER #531
$17.00 ea.

Peep Mirror
- Die cast chrome arm with 4” stainless backed mirror.
- Fits on top edge of door. Not for Bel Air models or hardtops and convertibles. Fits left or right side.
ORDER #532
$19.00 ea.

Small Head Peep Mirror
- A favorite of street rodders this 3” mirror has a die cast chrome arm and stainless backed mirrors.
- Fits left or right side on top edge of door.
ORDER #532SM
$19.00 ea.

VENT WINDOW BREEZIES
“Old fashioned air conditioning.” Attach to outside of vent window and actually draw air into the car.
- Red Plastic ORDER #2108R
- Amber Plastic ORDER #2108A
- Green Plastic ORDER #2108G
- Blue Plastic ORDER #2108B
- Stainless (Metal) ORDER #2108S
- Smoke (Gray) ORDER #2108K

All priced at $13.00 pr.

Body Mount Mirror
While not a correct or original mirror, this is an excellent quality mirror that will look good on your car. Fits left or right side. Original Chevrolet mirror that was not available until 1955.
ORDER #556
$34.00 ea.

The National Chevy Assoc.™

ORDER #4547-1

$30.00

1951-54 VIBRATOR TUBE
This is the tube most often asked for. The original mechanical vibrator tube used points similar to what was used in ignition system. These are subject to wear, pitting and oxidation. Vibrator gets its name from metal armature that vibrates to open and close points. The hum you hear when you turn on the radio is a result of this action. Solid state vibrator has no moving parts so it is silent in operation and lasts for years.

ORDER #794

$40.00

1949-54 Cars

ORDER #710

$14.00
MEET ADAM

Adam has been at NCA for about 10 years. He takes phone orders, pulls orders and ships packages when at work. In his free time, Adam plays an upright bass in a band called “The Reckless Ones” and they perform Rockabilly. Last summer they did some shows in Europe. He also works on his ’52 Chevy 4-door, which has a 350 Chevy engine in it.

MEET DOMINIC

Dominic started working for us in 2008. He is our IT guy here. He also can be found handling phone orders, pulling parts, packaging and shipping. He has a 1953 Chevy 2 dr. Sedan, which he enjoys working on and taking to car shows around the area. When not working he enjoys traveling, fishing, camping, collecting antiques, as well as spending time with friends and family.

Not shown is our warehouse staff. Vic is a retired pastor and Albert is retired from some farming and casino worker. Vic is working on a 1954 Chevy truck.
ORIGINAL STYLE REPLACEMENT CARPET

Sewn just like original carpet with original vinyl heel pad. Includes front and rear carpet pad. Available in red, dark blue, brown, dark green, turquoise, tan, chestnut, maroon, light gray and black. Please call for color samples. Carpet and pad should be glued down for a nicer look.

Smooth Cut Velour

A complete custom interior kit for your car using Bristol Fabric matching vinyl fabric. Easy to install and reasonably priced for a great looking interior.

Includes:
- Front and rear seat covers in Bristol cloth and vinyl. Also includes seat side shell covers in vinyl.
- Pre-sewn brushed cotton headliner.
- Loop or cut pile matching carpet pre-sewn with bound edges and heel pad. Carpet pad included.
- Replacement cardboard kick panels and rear package shelf.
- Cloth windlace pre-sewn to factory specs for easy installation. “Wire on” included for 1949 to 1952 models.
- Cloth covered sunvisors. You must send us your cores to recover - minus mounting hardware.
- Preassembled door panels include new waterproof cardboard covered with padded fabric and new metal edge support strips. Ready to install using your stainless trim pieces. Also includes armrest covers.

Available in gray, tan, brown, blue, burgundy and dark green.

NOTE: Smooth cut velour fabric can be used instead of Imperial fabric. CALL FOR COLOR SAMPLES.

Pleated door panels are available for an additional $150.00 for the 4 panels. A great choice if you don’t have good or any stainless.

Gas Tanks

**1949-54 Parts Catalog**

**Gas Tanks**

**Poly Gas Tank**
Molded to original dimensions with ease of installation in mind. Use your gas line. Complete with hardware and installation instructions. The poly gas tank is made in the USA, and was designed exclusively for 1949-54 Chevrolets with the latest technology. With safety and durability in mind the poly tank will never rust and is made to last. Most new cars use a poly tank for this exact reason. The alcohol in gasoline will separate and sit at the bottom of the tank causing rust issues in a steel tank. With your safety and restoration in mind the poly tank is recommended for hassle free maintenance, and to keep your old Chevy on the road for years to come. *Includes new sending unit.*

### Identify Your Engine
Ever wanted to know if the motor in your car is the original? ...

Or just wanted to know how to identify when it was made?

Chevrolet cast the date of manufacture just above the starter, right on the engine block. (This is not the stamped numbers by the distributor, which is the engine serial number.) The cast “boss” is halfway between the pan flange and the pushrod cover, and consists of an initial (A-L = January-December) followed by three or four digits. Example: B154 equals - February 15, 1954.
**1949-54 OIL FILTER**
Fits all models.

ORDER #1312

### 6V/12V Complete Wiring Harnesses

One harness does it all - Comes with everything you need.

From headlights to tail lights, this wire harness is made like the original but with plastic-coated wire color coded with color diagrams for easy installation. Harnesses include headlight switch, junction blocks, dash sockets already wired in and grommets needed for wires to go through. Wires are also tagged for placement.

**NOTE:** 12V cars will need alternator.

Alternator Bracket can be found on page 140.

### 1953-54 Metal Body Panels

**1. 1953-54 2-DOOR OUTER ROCKER PANEL WITH EXTENSION**

- Replace your rusty rocker panels with this fabricated replacement that extends to rear fender flare.
- **DRIVER SIDE**: ORDER #695L
- **PASS. SIDE**: ORDER #695R
- **Price**: $59.00 ea.

**2. 1953-54 2-DOOR REAR QUARTER PANEL FRONT**

- Excellent reproduction rocker panel stamped out just like original. (No extension)
- **DRIVER SIDE**: ORDER #690L
- **PASS. SIDE**: ORDER #690R
- **Price**: $125.00 ea.

**3. 1953-54 4-DOOR SEDAN ROCKER PANEL**

- Fits 4 door Sedans that need rocker panel replacement.
- **DRIVER SIDE**: ORDER #696L
- **PASS. SIDE**: ORDER #696R
- **Price**: $59.00 ea.

**4. 1953-54 2-DOOR INNER ROCKER PANEL**

- Reproductions of metal repair panels do not get any nicer than this. Stamped and cut like originals.
- **DRIVER SIDE**: ORDER #689L
- **PASS. SIDE**: ORDER #689R
- **Price**: $150.00 ea.

**5. 1953-54 REAR FENDER REAR SECTION PANEL**

- Extends around rear to taillight seam.
- **DRIVER SIDE**: ORDER #699L
- **PASS. SIDE**: ORDER #699R
- **Price**: $70.00 ea.

**6. 1953-54 UNDER DECK LID REPAIR PANEL**

- Metal panel to repair the gutter area where rear gravel pan attaches to body of car under the deck lid. Requires both left and right repair panels to do entire rear of car.
- **DRIVER SIDE**: ORDER #684L
- **PASS. SIDE**: ORDER #684R
- **Price**: $24.00 ea.

**7. 1953-54 2-DOOR REAR FENDER REAR SECTION**

- Fits behind tire.
- **DRIVER SIDE**: ORDER #683L
- **PASS. SIDE**: ORDER #683R
- **Price**: $209.00 ea.

**8. 1953-54 4-DOOR SEDAN ROCKER PANEL**

- Extends to back edge of rear door.
- **DRIVER SIDE**: ORDER #697L
- **PASS. SIDE**: ORDER #697R
- **Price**: $35.00 ea.

**9. 1953-54 WHEEL OPENING REPAIR PANEL**

- Metal panel to repair rusty wheel openings. This is not one of those “universal” repair panels. It has correct shape so your 1953/54 fenderskirts fit to a “T.”
- **DRIVER SIDE**: ORDER #698L
- **PASS. SIDE**: ORDER #698R
- **Price**: $35.00 ea.

**10. 1953-54 2-DOOR INNER ROCKER PANEL**

- **DRIVER SIDE**: ORDER #689L
- **PASS. SIDE**: ORDER #689R
- **Price**: $150.00 ea.

**11. 1953-54 REAR FENDER REAR SECTION**

- Extends from door jamb to about half way through wheel well opening and extends about 4” over top of wheel well.
- **DRIVER SIDE**: ORDER #682L
- **PASS. SIDE**: ORDER #682R
- **Price**: $209.00 ea.

---

The National Chevy Association was formed in 1985 as a car club dedicated to the “pleasure, pride and preservation” of the ’53 and ’54 Chevrolet. Beginning February 2000, the National Chevy Association expanded to include the 1949-52 Chevrolets in the Association. We have developed a complete line of parts and accessories for the 1949-52 Chevs and encourage you to contact us for a fully illustrated catalog of 1949-52 Chevrolet parts, if you have one of these “forgotten classics.”

EXPIRES__/____.
Thousands of old car clubs are flourishing across America, but few have grown to the size of National Chevy. This success can be attributed mainly to our many loyal members and the popularity of the 1949-54 Chev. The club would not exist today if not for its founding members, Paul and Sharon Nimis, whose idea it was to form a car club dedicated to the Pleasure, Pride and Preservation of the ’53 & ’54 Chev. The rest is history.

Since 1985, the National Chevy Association has been the car club of choice for owners of Chevrolet’s “Forgotten Classics.” A few years back, the 49-52 Chevs were added to the Association base and growth continues as new generations discover that the car the “old man” drove to high school is kinda cool and affordable to own and restore.

Members can be found around the world. To keep in touch we publish a monthly newsletter called “Parts-Line.” Each issue contains general news, technical help, nostalgia, classified ads, monthly specials, contests and most important, pictures and articles from members about their cars. “Mail Order Swap Meets” are a unique way we found to sell hard-to-find parts.

The success of the Association is based on the strength of its members. The newsletter is made up almost entirely of articles and cars sent in by members. We love cars! Cars are the reason we are all here — restorations, customs, daily drivers, long-term projects or anywhere in between. We are glad you are here to share our love of cars!

If you happen to be passing through Minnesota, stop in for a visit (bring your car). To find out a little more about our Association, visit us on the web at www.49-54nca.com
