## 1951-52 Basic Continental Kit

ORDER #CK-10

National Chevy's Basic Continental Kit is an affordable way to "customize" your 1949 to 1952 Chevy! Don't let the low price fool you. It is a complete quality kit that the average back yard mechanic can install in a weekend. Paint to match your car. Tire ring is heavy gauge stainless steel and the face plate is solid plastic. All hardware included with complete illustrated instructions.
