

# 1953-54 Chev Continental Kit

## Basic Continental Kit

ORDER #CK-1

Only **\$749<sup>00</sup>**

National Chevy's Basic Continental Kit is an affordable way to "customize" your 1953 or 1954 Chevy! Don't let the low price fool you. It is a complete quality kit that the average back yard mechanic can install in a weekend. Paint to match your car. Tire ring is heavy gauge stainless steel and the face plate is solid plastic. All hardware included with complete illustrated instructions.

## Continental Kit Options

**NOTE! PRICES BELOW REFLECT SUBSTITUTIONS FOR PIECES INCLUDED IN BASIC KIT. CONTINENTAL KIT PARTS SOLD SEPARATELY.**

**Upgrade the basic continental kit by purchasing any of the options listed below.  
Create the kit that will give your car a look that is unique!**

### OPEN FIBERGLASS FACEPLATE
