*Thousands of old car clubs are flourishing across America, but few have grown to the size of National Chevy. This success can be attributed mainly to our many loyal members and the popularity of the 1949-54 Chev. The club would not exist today if not for its founding members, Paul and Sharon Nimis, whose idea it was to form a car club dedicated to the Pleasure, Pride and Preservation of the '53 & '54 Chev. The rest is history.*

*Since 1985, the National Chevy Association has been the car club of choice for owners of Chevrolet's "Forgotten Classics." A few years back, the 49-52 Chevs were added to the Association base and growth continues as new generations discover that the car the "old man" drove to high school is kinda cool and affordable to own and restore.*

*Members can be found around the world. To keep in touch we publish a monthly newsletter called "Parts-Line." Each issue contains general news, technical help, nostalgia, classified ads, monthly specials, contests and most important, pictures and articles from members about their cars. "Mail Order Swap Meets" are a unique way we found to sell hard-to-find parts.*

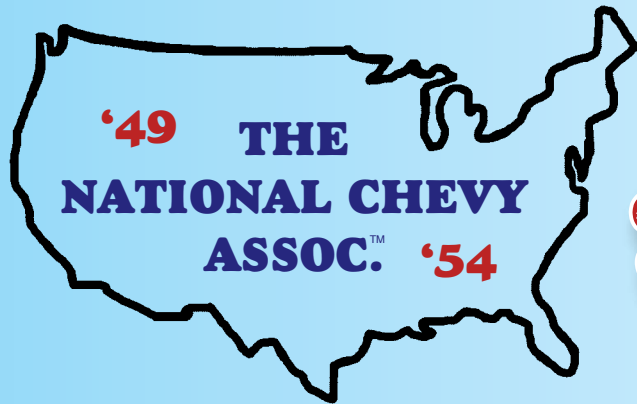

*The success of the Association is based on the strength of its members. The newsletter is made up almost entirely of articles and cars sent in by members. We love cars! Cars are the reason we are all here — restorations, customs, daily drivers, long-term projects or anywhere in between. We are glad you are here to share our love of cars!*

*If you happen to be passing through Minnesota, stop in for a visit (bring your car). To find out a little more about our Association, visit us on the web at*

**[www.49-54nca.com](http://www.49-54nca.com)**

# MONTHLY ONLINE NEWSLETTER

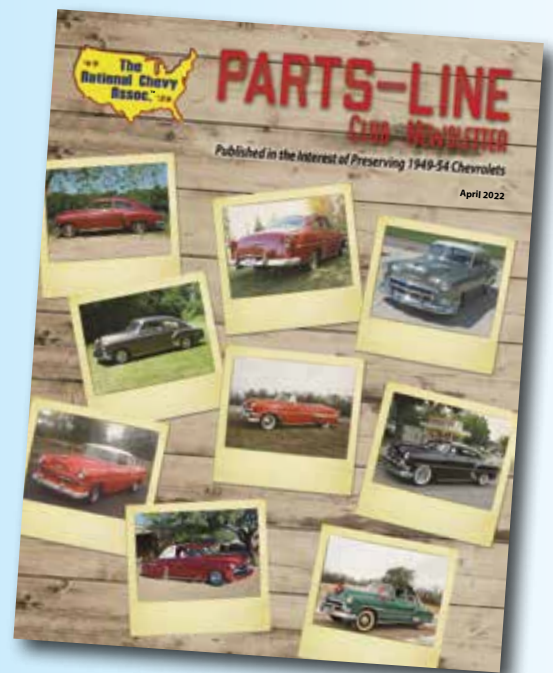

*Let the fun begin!*

*You don't want to miss a single issue of the "Parts-Line"!*

To our loyal members we are proud to have over the last 30 years offered you a high quality mailed monthly newsletter packed with great deals, super buys, members car builds and tech tips. We thank you for your years of support! But alas just like the times, we are changing and growing.

We will now offer the same great monthly newsletter free to everyone on our website! You will have access to each great monthly issue when ever you want! Catch up on the latest issues on your phone, tablet, computer or print it out! Each issue will still be packed with the same great content as always!

Head over to [www.nationalchevyassoc.com](http://www.nationalchevyassoc.com) and check it out!

# ORDERING & SHIPPING INFORMATION

## ORDERING

National Chevy Parts will gladly accept your order by mail, phone or fax. It's also possible to place your order over the internet by visiting our online catalog at [www.49-54nca.com](http://www.49-54nca.com) or [www.nationalchevyassoc.com](http://www.nationalchevyassoc.com).

**MAIL** If possible, please use the order forms enclosed in the catalog. **Complete all necessary information** to insure that your order will be processed as quickly as possible. Use catalog part numbers, provide a description of the item, and specify color, size, etc. when required. (Provide vehicle information to guarantee that we will have all the information we need to fill your order with accuracy.)

**PHONE** Orders are accepted by phone Monday-Friday 8:30-5:00 (central time). We would appreciate it if you would **use catalog part numbers when ordering**, but our courteous sales representatives will aid you in ordering the parts you need however you describe them (651) 778-9522.

**FAX** Use our toll-free fax number in the Continental United States (800) 785-5354. Worldwide fax (651) 778-9686. Provide all the necessary information, as if you were mailing in the order.

**ONLINE ORDERING** [www.49-54NCA.com](http://www.49-54NCA.com) or [www.nationalchevyassoc.com](http://www.nationalchevyassoc.com) All information sent to us over the internet will remain strictly confidential, as our online catalog is hosted by a secure provider.

## METHOD OF PAYMENT

**CREDIT CARD** National Chevy Parts accepts **Visa, MasterCard, American Express** and **Discover**. Mail orders require a cardholder's signature.

**CHECKS OR MONEY ORDERS** Your personal check is welcome.

**C.O.D. ORDERS** A collection charge of \$10.00 will be added to every C.O.D. order. C.O.D. orders are shipped to the Continental United States, Hawaii, and Puerto Rico only. (No C.O.D. shipments to Canada or foreign countries.) Orders shipped C.O.D. with **UPS** will require a certified check or money order or personal check. (UPS no longer accepts cash.) **FedEx** C.O.D. orders will require cash, certified check/money order or personal checks on any C.O.D. orders.

## SHIPPING

All orders are shipped via **UPS** or **FED EX**.

**FASTER DELIVERY** Faster delivery (Continental US only) can be obtained by using **Next Day, Two Day** or **Three Day** shipping. These services cost more than regular ground shipping, but are valuable if you need the part fast. All optional shipping charges are calculated by the combination of **weight of package** and **distance to ship**, therefore it is impossible to calculate exact cost until package is ready to ship. We'd be happy to contact you with exact shipping charges before shipping, if requested.

**FOREIGN COUNTRY SHIPMENTS** All orders to foreign countries must be prepaid in U.S. Funds or charged to a credit card. No C.O.D.'s accepted. Orders to overseas locations can be shipped via Express or Expedited Services. (No ground service available.)

A - Express service usually arrives at location in about 2 days.

B - Expedited Services usually arrives at location in about 4 days. No ground service is available.

**CANADIAN SHIPMENTS** Shipments must be prepaid in U.S. Funds or charged to credit card. No. C.O.D. service is available. All orders will be shipped via UPS Ground Service unless air service is requested. Some mail service is available. UPS now serves all addresses in Canada.

**DAMAGED SHIPMENTS** Please check all parts immediately upon receipt. If an item has been damaged in shipment, call the carrier. UPS (800) 742-5877  
FED EX (800) 448-9961

Keep the package, all packing material, and all of the items together. The carrier will come out to your location and inspect the package and its contents, and will return the damaged item(s) to us. **Then call us** and let us know what was damaged so we can get a replacement part to you.

## SERVICE

**NOT IN STOCK** National Chevy maintains an extensive inventory of parts to provide you with the fastest possible service. Due to the unique nature of our business, certain items periodically outsell our best inventory estimates. We try not to let this happen but when it does we will backorder the part if we think it will be back in stock soon. If it will be a long delay we will instead refund your money on the item. As soon as any item that has been out of stock is back in stock we will send you a postcard.

**INQUIRIES** Please check your order as soon as it is received for errors or shortages. All orders are double checked before shipping but we are human and do make an occasional mistake. If you have a problem please notify us at once. Problems not reported in **one week** from order receipt **will not** be replaced at our expense.

**RETURNS** Any part that is not satisfactory may be returned within **30 days** for a **full refund**. Shipping charges will not be refunded. **ALL RETURNS must be accompanied by a copy of the invoice or item will be sent back to you. All parts must be returned in original package in resalable condition.** If an item is defective or we made an error on your order we will reimburse your return shipping at regular ground rates. (If you order a part shipped by air, you will not be refunded the **extra** shipping cost.) If you return a part because you decided not to use it, you're responsible for the shipping charges. **NO RETURNS AFTER 30 DAYS. NO RETURNS WITHOUT A COPY OF THE INVOICE.** Any returns after 30 days will have serious penalties and must be accompanied by a receipt. **CALL FIRST! 651-778-9522.**

# HATS

Our hats are available in 3 colors. The simple embroidered design looks great!

**Black Hat**

### DID YOU KNOW? ...

- The wheelbase of the 1949 Chev was shortened 1" to 115" but looked longer than previous models.
- In 1949 Chevrolet had 2 Station Wagons - a conventional wooden bodied model and an all-steel version which looked almost identical from a short distance away.
- 1950 brought a real winner - Powerglide - the first automatic transmission to appear in the low price field.
- In 1950 the car length was increased to 197.5" but the wheelbase remained 115".

# 1952 MODEL IDENTIFICATION

## 1951-52 Chevrolet

### DID YOU KNOW? ...

- 1951 brought few changes to Chevrolet - it grew again to 197.8" but the wheelbase remained 115".
- Bendix brakes replaced Huck brakes and after an absence of 1 year Carter Carbs were used along with Stromberg and Rochester's.
- 1952 changes were primarily the new but similar horizontal grill with five perssed "teeth" in the central bar.
- Adding to the cosmetic appeal of the new grill this year's Chevrolet had the largest selection of body colors and two-tone combinations ever in a low price line of car with a choice of 129 colors and two-tone exterior and interior variations.

# 1953 MODEL IDENTIFICATION

## 1953 Chevrolet

### DID YOU KNOW? ...

- '53 was the first year for a one-piece wrap-around windshield and all models except the 150 Series had a wrap-around rear window as well.
- In 1953 seventeen models were available — the most ever offered by Chevrolet.
- '53 was the first year for Chevrolet power steering.
- '53 was the first year the BelAir Model was available in Sedans. The BelAir Hardtop became known as the Sport Coupe in 1953.
- In 1953, Chevrolet's theme in their advertising campaign was "Mister Chevrolet," a top hatted tuxedoed image of a well-to-do man-about-town whose good taste brought him to Chevrolet to buy a new car.
- More than 1,300,000 1953 Chevrolets were produced and over 400,000 were equipped with a powerglide transmission.

## 8 - MODEL IDENTIFICATION

## CHEVROLET 1954 SPECIFICATIONS—PASSENGER

# 1954 Chevrolet

## DID YOU KNOW? ...

- 1954 was the first year the automatic transmission was available in all Chevrolet models.
- 1954 was the last year for the exclusive use of the 6 cylinder engine, and the last year for 6 volt electrical systems in Chevrolets.
- The 1954 grill teeth are the number one choice of street rodders to customize their grill. '54 Chev grill teeth are found in a lot of customized ... Mercurys!
- 1954 was the first year for power brakes, power seats and power windows.
- 1954 was the first year that a coupe body style was not available. Business Coupes were a 2 door Sedan without a back seat.
- The 1954 Townsman Wagon was the last Chevrolet Station Wagon to use the imitation wood decor until the 1966 Caprice came along.
- Calendar year sales for the 1954 Chevrolet totaled 1,414,352.

ORDER #1377 **\$17<sup>00</sup>**

## PAINT

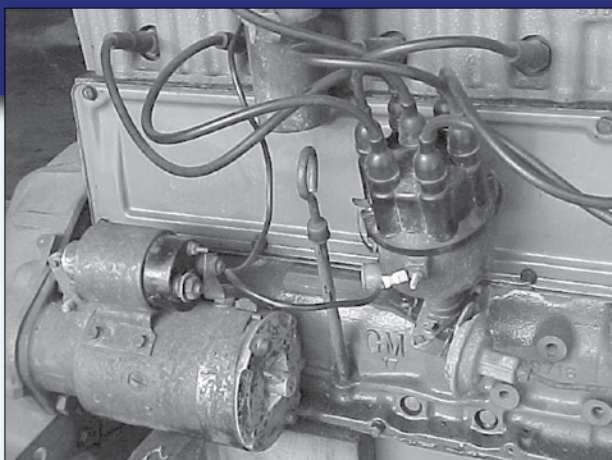

## IDENTIFY YOUR ENGINE

Ever wanted to know if the motor in your car is the original? ...  
Or just wanted to know how to identify when it was made?

Chevrolet cast the date of manufacture just above the starter, right on the engine block. (This is not the stamped numbers by the distributor, which is the engine serial number.) The cast "boss" is halfway between the pan flange and the pushrod cover, and consists of an initial (A-L = January-December) followed by three or four digits. Example: B154 equals - February 15, 1954.

*“The Beginning”  
Our first Jefferson Show  
Spring of 1987*

## **RETURN POLICY**

Any part that is not satisfactory may be returned within **30 days** for a **full refund**. Shipping charges will not be refunded.

**ALL RETURNS** must be accompanied by a copy of the invoice or item will be sent back to you. All parts must be returned in original package in resalable condition.

If an item is defective or we made an error on your order we will reimburse your return shipping at regular ground rates. (If you order a part shipped by air, you will not be refunded the **extra** shipping cost.) If you return a part because you decided not to use it, you're responsible for the shipping charges.

**NO RETURNS AFTER 30 DAYS.**

**NO RETURNS WITHOUT A COPY OF THE INVOICE.**

Any returns after 30 days will have serious penalties and must be accompanied by a receipt.

# OUTSIDE MIRRORS

Originally regarded as accessory items, mirrors are recognized today as driving essentials. These reproduction side mirrors enable you to upgrade your car to today's safety standards. The following mirrors are styled like the mirrors from the 50's and will be a nice looking addition to your car.

## DOOR EDGE MIRROR

- Die cast chrome arm — 4" stainless backed mirror.
- Fits left or right side.
- Mounts on leading edge of door, right below belt molding.

ORDER #522

**\$24<sup>00</sup>** ea.

## CHEVY STYLE MIRROR

- Die cast chrome arm 4" stainless backed mirror.
- Mounts on rain deflector on wing window.
- Left side only.
- Will not work on hardtop models.

ORDER #531  
**\$21<sup>00</sup>** ea.

## PEEP MIRROR

- Die cast chrome arm with 4" stainless backed mirror.
- Fits on top edge of door. Not for Bel Air models or hardtops and convertibles. Fits left or right side.

ORDER #532

**\$24<sup>00</sup>** ea.

## SMALL HEAD PEEP MIRROR

- A favorite of street rodders this 3" mirror has a die cast chrome arm and stainless backed mirrors.
- Fits left or right side on top edge of door.

ORDER #532SM

**\$24<sup>00</sup>** ea.

## VENT WINDOW BREEZIES

"Old fashioned air conditioning." Attach to outside of vent window and actually draw air into the car.

#5544

1953-54 ORDER

#544

**\$110<sup>00</sup>**

## 1949-54 VIBRATOR TUBE

This is the tube most often asked for. The original mechanical vibrator tube used points similar to what was used in ignition system. These are subject to wear, pitting and oxidation. Vibrator gets its name from metal armature that vibrates to open and close points. The hum you hear when you turn on the radio is a result of this action. Solid state vibrator has no moving parts so it is silent in operation and lasts for years.

ORDER #794

**\$50<sup>00</sup>**

# RADIO GLASS

Enhance those freshly-painted garnish moldings with bright new chrome-plated screws. Includes screws for door panels, seats and coat hangers too. Placement diagram included.

**\$19<sup>00</sup>** ea.

**NOTE:** Used interior garnish moldings are available for most models. Call for price and availability.

# MEET THE NCA CREW

Continued from Page 14

## MEET ADAM

Adam has been at NCA for about 16 years. He takes phone orders, pulls orders and ships packages when at work. In his free time, Adam plays an upright bass in a band called "The Reckless Ones" and they perform Rockabilly. Last summer they did some shows in Europe. He also works on his '52 Chevy 4-door, which has a 350 Chevy engine in it.

## MEET THERESE

Therese has worked for NCA for 6 years. She works in our Interior Dept. Sewing has been a life long skill with many years of reupholstering furniture and seamstress work. In her off time, she enjoys golfing and loves spoiling her grandchildren.

## MEET JEFF

Jeff has been at NCA for about 20 years, first as part-time, now as full-time. He is our jack-of-all-trades. In his spare time, Jeff works on his '29 Model A and his '29 Ford Roadster. He also enjoys auctions, especially if they have old car parts and a few antiques.

Not shown are Vic, Bonifacio, Joe, Butch, Julian, Joe from our warehouse and Interior Staff.

# CARPET

## ORIGINAL CARPET

Carpet is sewn just like original carpet with sewn hump binding and vinyl heel pad. Open on sides for easy installation up to sill plates. Pad is also cut for easy installation. Carpet and pad should be glued down for a nicer look. Available in red, black, brown, tan, gray, green, maroon. **Please call for samples.**

# DOOR SILL PLATES

## 1949-52 REPLACEMENT DOOR SILL PLATES

"Replacement" sill plates are now made of heavy gauge aluminum and are available in two finishes. The polished model has a bright shiny chrome look finish and the brushed have a more subdued satiny finish. Also includes tags. They are not stamped like original. *Polished sill plates have a "P" behind the order number.*

# CENTURY CUSTOM INTERIOR

## Smooth Cut Velour

A complete custom interior kit for your car using Bristol Fabric matching vinyl fabric. Easy to install and reasonably priced for a great looking interior.

### Includes:

- Front and rear seat covers in Bristol cloth and vinyl. Also includes seat side shell covers in vinyl.
- Pre-sewn brushed cotton headliner.
- Loop or cut pile matching carpet pre-sewn with bound edges and heel pad. Carpet pad included.
- Replacement cardboard kick panels and rear package shelf.
- Cloth windlace pre-sewn to factory specs for easy installation. "Wire on" included for 1949 to 1952 models.
- Cloth covered sunvisors. You must send us your cores to recover - minus mounting hardware.
- Preassembled door panels include new waterproof cardboard covered with padded fabric and new metal edge support strips. Ready to install using your stainless trim pieces. Also includes armrest covers.

Available in tan, brown, blue and burgundy.

**NOTE: Smooth cut velour fabric can be used instead of Imperial fabric. CALL FOR COLOR SAMPLES.**

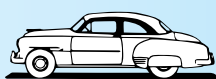

**PLEATED  
DOOR  
PANELS**

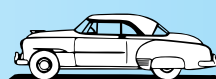

Pleated door panels are available for an additional \$150.00 for the 4 panels. A great choice if you don't have good or any stainless.

# GAS TANKS

## No Rust - No Problems

### POLY GAS TANK

Molded to original dimensions with ease of installation in mind. Use your gas line. Complete with hardware and installation instructions. The poly gas tank is made in the USA, and was designed exclusively for 1949-54 Chevrolets with the latest technology. With safety and durability in mind the poly tank will never rust and is made to last. Most new cars use a poly tank for this exact reason. The alcohol in gasoline will separate and sit at the bottom of the tank causing rust issues in a steel tank. With your safety and restoration in mind the poly tank is recommended for hassle free maintenance, and to keep your old Chevy on the road for years to come. **Includes new sending unit.**

## IDENTIFY YOUR ENGINE

Ever wanted to know if the motor in your car is the original? ...  
 Or just wanted to know how to identify when it was made?

Chevrolet cast the date of manufacture just above the starter, right on the engine block. (This is not the stamped numbers by the distributor, which is the engine serial number.) The cast "boss" is halfway between the pan flange and the pushrod cover, and consists of an initial (A-L = January-December) followed by three or four digits. Example: B154 equals - February 15, 1954.

## HOW TO START AN ALASKA CAR

1. CHEECHAKO: Owner, fresh from the states, dashes out at 7:45 a.m. full of optimism and energy, chops off enough ice from the windshield to form a peephole to be used as a sort of sight over the radiator cap (theory being that a line from the steering wheel over the radiator cap will guide one down the street), injects a pint of ether into the carburetor, pours a pint of alcohol into the tank (takes a snort himself), steps on the starter which is connected to four truck batteries.

RESULTS: Arrives at work 3 hours late.

2. EXPERIMENTAL: Owner becoming desperate having tried everything but arising early, he is now a gadgateer, installs crank case heater, head-bolt heater, carburetor heater, de-icers and fuel pump heater as well as dip stick.

3. SOURDOUGH: The accepted method tested by time.

1. Arises at 3:00 a.m. (reluctantly)
2. Digs car from ice and snow.
3. Kicks car soundly 3 or 4 times to establish respect for

authority. Appears disinterested in whether or not car starts, lights pipe or cigar, using gadget from the bonfire previously lighted to warm hands, hovers in the vicinity, musing aloud about the beauty of the scenery.

4. Raises head, shakes head disapprovingly, mentions several reasons why the purchase of a new car is indicated.

5. Kicks car soundly four or more times.

6. Returns to house with feigned intention of remaining.

7. Drinks a cup of coffee, being sure car can see him through the window.

8. Nonchalantly saunters back and kicks car four more times.

9. Pries open door with crowbar and removes icicles from dash, steering wheel and seat.

10. Unobtrusively pulls the choke out three or four feet.

11. Turns ignition key on with pair of pliers....NOW -

12. (HURRIEDLY) jumping into car, he slams foot on starter, kicks car soundly with other foot three or four times, curses loudly, beats dash (preferably with hammer).

RESULTS: Arrives at work only one hour late.

\*Oversize  
Shipping

**\$695<sup>00</sup>**  
COMPLETE

New "WILLIAMS" CAST  
IRON HEADERS

Nothing can beat the sound of the "Split Six" Dual Exhaust! This complete dual exhaust system has been designed for the do-it-yourselfer, and can be installed right in your own backyard or garage. All exhaust pipes are pre-bent, to fit and are made of aluminized tubing for long lasting life. Williams Exhaust Headers will improve performance, and glass packed mufflers will give your car the sound made famous in the 50's. Complete with all necessary hardware and installation instructions. (Clamps, hangers, donuts, etc.) **"RAP" THEM PIPES!**

**DUAL EXHAUST SYSTEM W/GLASS PACK MUFFLERS** ORDER #2017  
**FOR 1949-54 CONVERTIBLES** ORDER #2017C

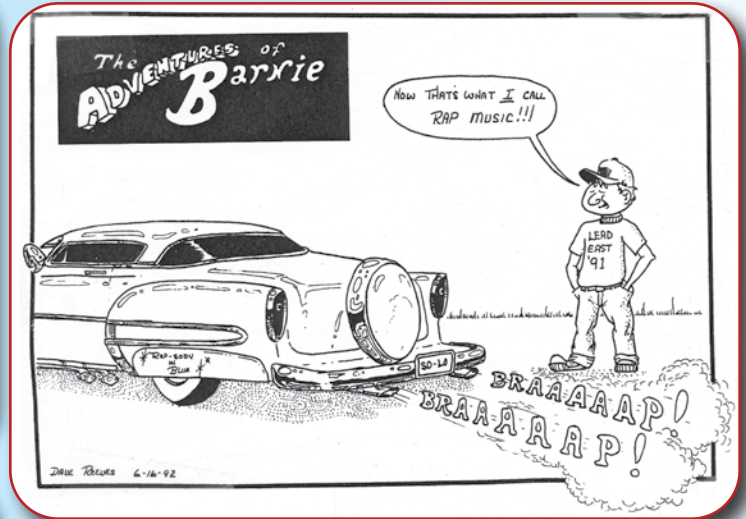

## WILLIAMS EXHAUST HEADERS

These are the new Williams Headers that made the Chevy "Split 6" exhaust system a legend! Will improve engine performance and give your car the sound "Oldtimers" will recognize blocks away. We include a few installation tips to help you out. Will not work on 1953-54 with power steering. Includes gaskets, flanges & hardware.  
**Fits all after-market intakes. Made in the U.S.A.**

Drive Shaft Bushing Seal Assembly .....	126

The National Chevy Association was formed in 1985 as a car club dedicated to the "pleasure, pride and preservation" of the '53 and '54 Chevrolet. Beginning February 2000, the National Chevy Association expanded to include the 1949-52 Chevrolets in the Association. We have developed a complete line of parts and accessories for the 1949-52 Chevs and encourage you to contact us for a fully illustrated catalog of 1949-52 Chevrolet parts, if you have one of these "forgotten classics."

Drive Shaft Bushing	
Installation Tool.....	126
Dual Exhaust (V-8).....	152
Dummy Spotlights.....	17

# FREQUENTLY ASKED QUESTIONS

## **Q. Where are you located?**

A. We are located at 947 Arcade Street, Saint Paul, MN 55106

## **Q. What are your hours of business?**

A. We are open Monday- Friday 8:30-5 p.m. Central Standard Time.

## **Q. Do you have to be a member to order?**

A. No, you do not. Anyone can order parts from us.

## **Q. Do I need to have the part #'s to order?**

A. Yes, we do prefer for you to give us the part #'s for your order. This will ensure that you get exactly what you want and will help avoid costly mistakes. Part #'s can be found in the catalog and on our website at [www.nationalchevyassoc.com](http://www.nationalchevyassoc.com).

## **Q. How much does shipping cost?**

A. We have a minimum shipping cost of \$12.50 on all orders with a sub-total of \$105.00 or less. Any orders over \$105.00 shipping will cost 12% of the sub-total. Within the continental U.S. **\*\*PLEASE NOTE THAT SOME ORDERS REQUIRE ADDITIONAL SHIPPING DUE TO SIZE AND WEIGHT.**

## **Q. How do you ship?**

A. We use UPS and FedEx for the majority of orders, however, for orders in MN, WI, ND, SD, IA and IL we use Spee-Dee Delivery.

## **Q. How long does it take to ship my order?**

A. Most orders usually ship out within two business days. Some exceptions apply.

## **Q. Is there tracking for my order?**

A. Yes, if the order is placed online you should receive tracking information from UPS or FedEx once the order has been shipped. If you place your order over the phone, please provide us with your email address and we can send tracking information.

## **Q. I sent an email and have not gotten a reply**

A. We get a lot of emails on a daily basis and can not get around to replying to them all. If you have a question or concern, it's best to call us and we will be happy to help you.

## **Q. Do you ship internationally?**

A. Yes we do. Please call us or email us and we will be happy to assist. [info@nationalchevyassoc.com](mailto:info@nationalchevyassoc.com)

## **Q. How do I return an item?**

A. Send the item(s) back within 30 days with a copy of your invoice and a reason for the return. All parts must be in the original package in resalable condition. Please allow a few days for your refund to be processed.
